MEMORANDUM OF DECISION

John Carey appeals from the judgment of the District Court (York, *Janelle, J.*) entering a money judgment for King Par Corporation to be recovered from Carey. The judgment was entered following Carey's failure to timely oppose King Par Corporation's motion for summary judgment. M.R. Civ. P. 56(c). Carey has failed to demonstrate that the judgment entered by the trial court resulted from any error of law or that the trial court abused its discretion in acting on the motion for summary judgment after Carey failed to timely respond to the motion. *See* M.R. Civ. P. 56(c), (h)(4).

The entry is:

Judgment affirmed.
