#### MEMORANDUM OF DECISION

Ruthann E. McCorry appeals from a judgment of the District Court (West Bath, *Tucker, J.*) granting an order for protection from abuse against her in favor of Matthew D. Cieri. Contrary to McCorry's contention, the evidence was sufficient to support the court's finding by a preponderance of the evidence that she abused Cieri. 19-A M.R.S. §§ 4002(1), 4006(1) (2010); *see Handrahan v. Malenko*, 2011 ME 15, ¶ 12, 12 A.3d 79, 81-82. Furthermore, given the facts of this case the statutory definition of "dating partners" is not unconstitutionally vague. 19-A M.R.S. § 4002(3-A) (2010); *see State v. Aboda*, 2010 ME 125, ¶¶ 14-15, 8 A.3d 719, 723-24.

The entry is:

Judgment affirmed.
