

IN RE MERCEDES S. et al.

Submitted on Briefs June 5, 2012

Decided June 21, 2012

Panel: SAUFLEY, C.J., and ALEXANDER, LEVY, SILVER, MEAD, and GORMAN, JJ.

MEMORANDUM OF DECISION

The mother of Mercedes S. and Cheyenne S. appeals from the judgment of the District Court (Caribou, *Soucy, J.*) terminating her parental rights to the two children. *See* 22 M.R.S. § 4055(1)(B)(2) (2011). The mother contends that the evidence before the court was insufficient to support termination of her parental rights to the clear and convincing evidence standard required by law. Review of the record demonstrates that the court found each element necessary to support termination of parental rights to the clear and convincing evidence standard and that those findings are fully supported by the evidence in the record regarding parental unfitness and the best interests of the children. *See In re Thomas H.*, 2005 ME 123, ¶ 16, 889 A.2d 297.

The entry is:

Judgment affirmed.
