

IN RE K.L.

Submitted on Briefs May 29, 2014  
Decided June 3, 2014

Panel: SAUFLEY, C.J., and ALEXANDER, SILVER, GORMAN and JABAR, JJ.

MEMORANDUM OF DECISION

K.L. appeals from an order of the Superior Court (*Warren, J.*) affirming an order of the District Court, which committed her involuntarily to Spring Harbor Hospital for a period not to exceed two months based on a finding that she was mentally ill and that, due to her illness, she posed a likelihood of serious harm. *See* 34-B M.R.S. § 3864 (2013). The District Court's findings were not clearly erroneous because they were supported by competent evidence in the record. *See Sloan v. Christianson*, 2012 ME 72, ¶ 2, 43 A.3d 978; *In re Marcial O.*, 1999 ME 64, ¶ 21, 728 A.2d 158. K.L. has not appealed the order of the Probate Court granting her husband a temporary emergency guardianship. Because only the involuntary commitment order is at issue in this appeal, we do not address K.L.'s argument that the Hospital violated her constitutional rights by administering medication to K.L. over K.L.'s objection pursuant to her husband's consent. *See* 18-A M.R.S. § 5-310-A(a) (2013).

The entry is:

Judgment affirmed.
