MEMORANDUM OF DECISION

Hubert Affo appeals from a judgment of divorce entered by the District Court (Lewiston, *Oram, J.*) upon Kayi (Affo) Zankou's complaint for divorce. Contrary to Affo's contentions, the court made sufficient findings on the record, the defendant did not include a request that the court find that the plaintiff committed economic misconduct when he filed a motion pursuant to M.R. Civ. P. 52(b), and the record did not compel a finding that Zankou had committed economic misconduct. Further, contrary to Affo's contentions, the court did not abuse its discretion in its spousal support award, *see Jandreau v. LaChance*, 2015 ME 66, ¶¶ 14-15, 116 A.3d 1273, or err in its consideration of the statutorily mandated spousal support factors, *see* 19-A M.R.S. § 951-A(5) (2015).

The entry is:

Judgment affirmed.
