MEMORANDUM OF DECISION

The mother of Brayden M. appeals from a judgment of the District Court (Belfast, *Worth, J.*) finding that she placed the child in circumstances of jeopardy. *See* 22 M.R.S. § 4035 (2015). In compliance with the process outlined in *In re M.C.*, 2014 ME 128, ¶ 7, 104 A.3d 139, the mother's attorney filed an appellate brief that outlines the factual and procedural history of the case, and states that she did not find any arguable issues of merit for appeal. The mother was given the opportunity to but did not file a supplemental brief by the deadline established in our order granting counsel's motion for an enlargement of time to allow the mother to file a brief. Because the record supports the court's finding, by a preponderance of the evidence, that the mother placed the child in circumstances of jeopardy, *see In re Z.S.*, 2015 ME 110, ¶ 6, 121 A.3d 1286, we affirm.

The entry is:
