MEMORANDUM OF DECISION

Thurin G. Benner appeals from a judgment entered in the District Court (Rockland, *Raimondi, J.*) dismissing his challenge to an arbitrator's decision as untimely and confirming the award. Because we agree that Benner's challenge was untimely, *see* 14 M.R.S. §§ 5937, 5938, 5939 (2016); *NCO Portfolio Mgmt. v. Folsom*, 2007 ME 152, ¶ 5, 938 A.2d 24; *Cutler Assocs., Inc. v. Merrill Tr. Co.*, 395 A.2d 453, 455-56 & n.4 (Me. 1978), and none of Benner's arguments for extending the time to challenge the award has merit, we affirm the judgment.

The entry is:

Judgment affirmed.
