

STATE OF MAINE

v.

STEPHEN R. SINGLETON

Argued October 9, 2019
Decided October 22, 2019

Panel: SAUFLEY, C.J., and ALEXANDER, MEAD, GORMAN, JABAR, HJELM, and
HUMPHREY, JJ.

MEMORANDUM OF DECISION

Stephen R. Singleton appeals from an order of the trial court (Kennebec County, *Delahanty, J.*) denying his motion to suppress the results of a blood test obtained after he signed a form consenting to the blood draw. Contrary to Singleton's contentions, we discern no error of fact or law in the court's determination that his consent to the blood draw was obtained voluntarily. *See State v. Ayotte*, 2019 ME 61, ¶¶ 8-10, 207 A.3d 614; *State v. LeMeunier-Fitzgerald*, 2018 ME 85, ¶ 32, 188 A.3d 183. We are also unpersuaded by Singleton's argument that his due process rights were violated by the form's description of the statutory consequences of his consent or refusal. *See* 29-A M.R.S. § 2521(3) (2018); *State v. Bavouset*, 2001 ME 141, ¶¶ 6-8, 784 A.2d 27.

The entry is:

Judgment affirmed.
