MEMORANDUM OF DECISION

Randall B. Hofland appeals from an order of the Superior Court (Knox County, *Wheeler, J.*) in which the court declined to docket his petition for judicial review of a final agency action because he failed to comply with the terms of a *Spickler* order. *See Spickler v. Key Bank of S. Me.*, 618 A.2d 204, 207 (Me. 1992).

On August 14, 2013, the Superior Court (Penobscot County, *Anderson, J.*) entered an order enjoining Hofland from filing future actions without first seeking the approval of the court.¹ *See id.* On October 18, 2018, Hofland filed a petition for judicial review of a final agency action, *see* M.R. Civ. P. 80C, without obtaining the court's approval as required by that order. Accordingly, the Superior Court properly declined to docket Hofland's petition.

¹ On appeal, Hofland challenges the constitutionality of the *Spickler* order; however, because we have previously affirmed the issuance of the order, *see Hofland v. Bangor Publ'g Co.*, Mem-14-81 (June 3, 2014), we decline to address the issue again.

The entry is:

Order affirmed.
