MEMORANDUM OF DECISION

Melinda G. appeals from a judgment of the District Court (Presque Isle, *Nelson, J.*) terminating her parental rights to her child after a testimonial hearing. We discern no error in the court's termination of the mother's parental rights, notwithstanding the mother's contention that the Department of Health and Human Services failed to offer the particular rehabilitation and reunification services that the mother now argues would have been most helpful.¹ See 22 M.R.S. § 4041 (2021); *In re Child of Heather W.*, 2018 ME 31, ¶¶ 11, 180 A.3d 661.

The entry is:

Judgment affirmed.

¹ Although the mother does not purport to challenge the court's parental unfitness or best interest determinations, we note that there is sufficient evidence in the record to support the court's findings as to each, and the court committed no abuse of discretion in determining that termination of the mother's parental rights was in the child's best interest. See 22 M.R.S. § 4055(1)(B)(2)(a), (b)(i), (ii) (2021); *In re Child of Louise G.*, 2020 ME 87, ¶¶ 8-9, 236 A.3d 445.
