

# Cleaves Law Library 2007- 08 Annual Fund Update

Posted 3/21/08

In the past four years, gifts to the Annual Fund played a pivotal role in our ability to meet our commitment to bring you the most valuable legal resources at a fraction of the cost.

Membership fees and public support provide only a portion of the funding needed to continue our work; therefore the Annual Fund becomes a life-line for our mission.

Cleaves Library is a unique resource in our community that deserves your continuing help. Cleaves Library is a resource that makes research available to all lawyers, as well as the public. Your contribution today will continue the vital support we need for our core activities.
