MEMORANDUM OF DECISION

The parents of Anthony S. appeal a judgment entered in the District Court (Calais, *Romei, J.*) terminating their parental rights to Anthony pursuant to 22 M.R.S.A. § 4055 (1992 & Supp. 1999). Contrary to the contentions of the parents, there is sufficient evidence in the record to support the District Court's findings that both parents were unwilling and unable to protect Anthony from jeopardy within a time reasonably calculated to meet Anthony's needs, that they failed to make a good faith effort to rehabilitate and reunify with Anthony, and that the mother was unwilling or unable to take responsibility for Anthony within a time reasonably calculated to meet Anthony's needs. *See* 22 M.R.S.A. § 4055(1)(B)(2)(b). The District Court did not err in permitting a licensed clinical social worker to testify about Anthony's psychological functioning. *See* 32 M.R.S.A. § 7053-A(2)(B) (1999).

The entry is:
