MEMORANDUM OF DECISION

Paul Duperry appeals from a protection from abuse order entered in District Court (Biddeford, *Kennedy, J.*) in favor of his wife Rebecca Duperry and her minor son Garrett M. Contrary to Paul's contention, the court's finding that he committed abuse, as defined in 19-A M.R.S.A. § 4002(1) (1998), against Rebecca and Garrett is supported by the evidence and is not clearly erroneous. *See Smith v. Hawthorne*, 2002 ME 149, ¶¶ 15-20, 804 A.2d 1133, 1138-40.

The entry is:

Judgment affirmed.
