MEMORANDUM OF DECISION

The mother of Ian T. appeals from an order of the District Court (Lewiston, *Beliveau, J.*) terminating her parental rights to her son pursuant to 22 M.R.S.A. § 4055 (1992 & Supp. 2002). The mother argues that there is insufficient evidence in the record to support the court's finding that she was unable and unwilling to protect her son from jeopardy, that these circumstances are unlikely to change within a time that is reasonably calculated to meet his needs, and that termination of parental rights is in the child's best interest. Based on the evidence presented through many witnesses at the termination hearing, the District Court's required fact-findings are supported by evidence establishing the facts to a high probability. *See In re Tyler H.*, 1999 ME 163, ¶ 15, 741 A.2d 47, 50.
