MEMORANDUM OF DECISION

The mother of twin daughters appeals a District Court (Biddeford, *Foster, J.*) order terminating her parental rights. Contrary to her assertions, the court had sufficient evidence to find that termination was in the girls' best interests. *See In re Charles G.*, 2001 ME 3, ¶ 5, 763 A.2d 1163, 1165-66. Further, the mother's stipulation that she was unable to take responsibility for her children in a time reasonably calculated to meet their needs, 22 M.R.S.A. § 4055(1)(B)(2)(b)(ii) (1992), rendered moot her challenge to the court's denial of funds for an independent psychological examination.
