MEMORANDUM OF DECISION

Maria Twomey-Thompson appeals from a judgment entered in the District Court (Biddeford, *Wheeler, J.*) denying her request for a protection from harassment order against Joline Pothier. Because Thompson failed to preserve a transcript of the hearing, and failed to comply with alternate procedures outlined in M.R. App. P. 5(d), we cannot determine whether the evidence presented at the hearing compels a finding that Thompson is entitled to a protection from harassment order. *See State v. Butler*, 627 A.2d 530, 531 (Me. 1993).

The entry is:

Judgment affirmed.
