MEMORANDUM OF DECISION

Lane Gray appeals a judgment of the Superior Court (Waldo County, *Marden, J.*) affirming the final agency action of the Maine State Board of Licensure for Professional Land Surveyors finding that Gray had committed four violations of Board regulations and imposing sanctions. Contrary to Gray's contentions: (1) he received sufficient notice of the nature of the administrative hearing and of the charges pending against him; (2) he was not prejudiced by the fact that he was found to have violated a general rule where, in one instance, a subdivision of that rule had been cited in the notice of hearing; *see Secure*

Environments, Inc. v. Town of Norridgewock, 544 A.2d 319, 324-25 (Me. 1988); (3) the evidence in the record, including statements by Gray, was sufficient to support the findings regarding each of the four violations; *see* 5 M.R.S.A. § 11007(3) (2002); (4) the role of the Assistant Attorney General who prosecuted the case while advising the Board on other matters did not compromise the right to due process; and (5) the sanctions imposed were within the range authorized by statute. *See* 10 M.R.S.A. § 8003(5) (Supp. 2003); 32 M.R.S.A. § 13909 (1999). The other issues raised on appeal do not merit discussion.
