MEMORANDUM OF DECISION

Joan Stickney appeals from a judgment of default on Citibank's complaint and the dismissal of her counterclaim entered in the District Court (Ellsworth, *Staples, J.*). Contrary to Stickney's contentions, the court neither erred nor abused its discretion by entering judgments of default and dismissal against her for discovery violations. *See Harris v. Soley*, 2000 ME 150, ¶¶ 16-17, 756 A.2d 499, 506.
