MEMORANDUM OF DECISION

Rebecca Hillburn appeals a divorce judgment entered in the District Court (Bangor, *Murray, A., J.*). Contrary to Rebecca's contentions, the court did not abuse its discretion when it awarded Steven five consecutive weeks of visitation with the parties' two children in the summer. *See Knight v. Knight*, 680 A.2d 1035, 1037 (Me. 1996). The court's findings with respect to parental rights and responsibilities are supported by the evidence presented to it.

The entry is:
