MEMORANDUM OF DECISION

Valerie Vrettos appeals from a judgment of the District Court (York, *Douglas, J.*) finding her liable to Wells Veterinary Hospital for \$11,878.86 in veterinary services. Vrettos contends that the court erred in determining the value of repairs she performed for the hospital in exchange for veterinary services. Because Vrettos failed to provide a transcript or a statement of the evidence in lieu of a transcript pursuant to M.R. App. P. 5(b)(2), (d), we lack an adequate record for review and must assume that adequate evidence supports the court's detailed

finding of Vrettos's repairs. *See In re Cyr*, 2005 ME 61, ¶ 17, 873 A.2d 355, 361.

We deny the hospital's request for sanctions pursuant to M.R. App. P. 13(f).

The entry is:

Judgment affirmed.
