

IN RE PATRICK G.

Submitted on Briefs April 20, 2005
Decided May 4, 2005

Panel: CLIFFORD, RUDMAN, DANA, CALKINS, and LEVY, JJ.

MEMORANDUM OF DECISION

Patrick's father appeals from a termination of parental rights judgment entered in the District Court (Augusta, *French, J.*). Contrary to the father's contentions, clear and convincing evidence in the record supports the court's findings that the father is unable to protect Patrick from jeopardy and these circumstances are unlikely to change within a time which is reasonably calculated to meet Patrick's needs; that the father has been unwilling or unable to take responsibility for Patrick within a time which is reasonably calculated to meet his needs; and that termination of the father's parental rights is in the best interests of Patrick. 22 M.R.S.A. § 4055(1)(B)(2) (2004).
