MEMORANDUM OF DECISION

Dana Llewellyn appeals from a judgment of the District Court (Belfast, *Worth, J.*) granting a divorce to Mark and Dana Llewellyn. Contrary to Dana's contentions, the court did not commit clear error in valuing the real estate or abuse its discretion in its division of the marital real estate and personal property. *See Murphy v. Murphy*, 2003 ME 17, ¶¶ 19, 27, 816 A.2d 814, 820, 822; *Hall v. Hall*, 462 A.2d 1179, 1180 & n.1 (Me. 1983). In addition, competent evidence in the record supports the court's findings of economic misconduct by Dana. *See In re*

Cyr, 2005 ME 61, ¶ 16, 873 A.2d 355, 360-61 (stating the standard of review for a sufficiency of the evidence challenge in a civil matter).
