

HELEN R. FARRIS

v.

MARK A. FARRIS

Submitted on Briefs January 20, 2006

Decided January 26, 2006

Panel: CLIFFORD, DANA, ALEXANDER, CALKINS, LEVY, and SILVER, JJ.

MEMORANDUM OF DECISION

Mark A. Farris appeals from the judgment of the District Court (Lewiston, *Cote, J.*), granting the parties a divorce. He asserts that the property division ordered by the court was inequitable, and the award of spousal support at the end of the parties' twenty-nine-year marriage was inappropriate. Because Mark Farris has presented neither a transcript of the proceedings nor a proper appendix, we have no capacity to test the validity of Farris's claims on appeal, and we must presume that the record created by the District Court supports the fact-findings in the District Court's judgment. *See Alley v. Alley*, 2002 ME 162, 809 A.2d 1262.
