MEMORANDUM OF DECISION

Arthur Kyricos appeals from a judgment of the District Court (York, *Wheeler, J.*) ordering him to pay \$6050.45 on a judgment debt he owed to Maureen Killay, plus post-judgment interest, excepting the period during which Killay's bankruptcy proceeding was pending—September 18, 1998, through August 22, 2001. We cannot address any factual questions without a transcript or a statement of the evidence produced in accordance with M.R. App. P. 5(d), and Kyricos does not make any substantial argument that the court's factual findings were erroneous. Based on the limited trial record produced in this case, *see* M.R. App. P. 5(a),

8(c)(2); *cf. Beane v. Me. Ins. Guar. Ass'n*, 2005 ME 104, ¶ 11, 880 A.2d 284, 286, we can discern no legal error. *See* 11 U.S.C.A. § 554(c) (West 2004); *see also Dewsnap v. Timm (In re Dewsnap)*, 908 F.2d 588, 590 (10th Cir. 1990), *aff'd on other grounds*, 502 U.S. 410 (1992). We decline to impose the sanctions that Killay requests pursuant to M.R. App. P. 13(f).
