MEMORANDUM OF DECISION

The mother appeals from an order entered in District Court (Belfast, *Nivison, C.J.*) terminating her parental rights to Katlyn, Jessica, David, and Andrew M. Contrary to the mother's contentions, even if she participated in all the rehabilitation and reunification services provided by the Department, this does not preclude the court's decision to ultimately terminate her parental rights. *Cf. In re Doris G.*, 2006 ME 142, ¶ 16, 912 A.2d 572, 578. Furthermore, review of the entire record demonstrates that the court rationally could have found clear and convincing evidence that pursuant to 22 M.R.S. § 4055(1)(B)(2)(a) (2006), termination of parental rights was in the best interests of the children and that the mother was unwilling and unable to protect the children from jeopardy and the

circumstances were unlikely to change within a time reasonably calculated to meet the children's needs. *See In re David H.*, 637 A.2d 1173, 1175 (Me. 1994).
