MEMORANDUM OF DECISION

Denny M. Collyer appeals from the judgment of the Superior Court (Kennebec County, *Mills, J.*) convicting him, after a jury trial, of two counts of unlawful sexual contact (Class C), 17-A M.R.S.A. § 255-A(1)(E) (Supp. 2002). Contrary to Collyer's contentions, the evidence supporting conviction on each element of each charge was not inherently incredible and was sufficient to support the convictions. *See State v. Moores*, 2006 ME 139, ¶¶ 7-9, 910 A.2d 373, 375-76. Further the court did not err in not excusing a juror who was related to a person who lived downstairs from the apartment where these incidents occurred. *See State v. Merchant*, 2003 ME 44, ¶¶ 17-26, 819 A.2d 1005, 1009-10. The juror

indicated no knowledge of the building, or even where her relative had been living, and indicated she could remain impartial.

The entry is:

Judgment affirmed.
