

ROBERT W. EMERY

v.

JEANNIE M. EMERY

MEMORANDUM OF DECISION

Jeannie M. Emery appeals from a judgment entered in the District Court (Portland, *Beaudoin, J.*) granting Jeannie and Robert W. Emery a divorce. Jeannie appeals only the court's distribution of the marital real estate. Contrary to Jeannie's contentions, the court properly considered the statutory factors set forth in 19-A M.R.S. § 953(1) (2006). The court's distribution of the equity from the marital real estate does not constitute "a plain and unmistakable injustice, so apparent that it is instantly visible without argument." *Williams v. Williams*,

645 A.2d 1118, 1123 (Me. 1994) (quotation marks and citations omitted).

Accordingly, we find that the court did not abuse its discretion. *See id.*
