

SUSAN A. LaTORRE

v.

FRANK P. LaTORRE

Submitted on Briefs April 2, 2008

Decided April 10, 2008

Panel: SAUFLEY, C.J., and CLIFFORD, LEVY, SILVER, MEAD, and GORMAN, JJ.

MEMORANDUM OF DECISION

Susan A. LaTorre appeals from a judgment of the District Court (Portland, *Cantara, J.*) adopting a referee's factual findings and report as part of a divorce action. Contrary to Susan's contentions, we find that the record reflects that the Referee did not abuse his discretion or ignore provisions of the order of reference. Additionally, we decline to address Susan's unpreserved argument that the District Court denied her due process by quashing a subpoena for the Referee's notes and by entering an order accepting the Referee's report.¹ *See Teel v. Colson*, 396 A.2d

¹ Susan makes several other arguments that we decline to reach. We also decline to impose sanctions in this matter.

529, 533 (Me. 1979) (stating that we decline to reach issues raised for the first time on appeal).

The entry is:

Judgment affirmed.
