MEMORANDUM OF DECISION

The mother of Kristine T. appeals from a judgment entered in the District Court (West Bath, *Tucker, J.*) in which she consented to the termination of her parental rights to Kristine pursuant to 22 M.R.S. § 4055(1)(B)(1) (2009). The mother argues that her consent was not knowingly and voluntarily given, as section 4055(1)(B)(1) requires, but she does not allege any specific reason as to why it was not. Additionally, contrary to her contentions, the trial court record strongly indicates that her consent to the termination of her parental rights was knowingly and voluntarily made and otherwise proper. *See* 22 M.R.S. § 4055(1)(B)(1).

The entry is:

Judgment affirmed.
